

FIND YOUR OWN FAVORITE PAIR OF SHOES

Not every Christian is a street preacher, and not every Christian is an expert in «friendship evangelism». You will have your own personal style of sharing the Gospel with others. Now all you have to do is discover that style!

For shoes, put on the peace that comes from the Good News so that you will be fully prepared. Ephesians 6:15 (NLT)

1. Sport Shoes =..... Style (Acts 4:20)

Is it easy for you to tell others in an open and direct way about what God has done for you and how He is working in your life right now? If so, then you're probably the sport shoes type.

2. House Shoes / Slippers =..... Style (Luke 14:23)

Do you like to invite people to attend Christian events, camps or church services where they will hear the Gospel message? If so, then you may be the house shoes type.

3. Loafers =..... Style (Acts 17:17)

Lots of people have real questions or think that human suffering or science in general are contrary to the existence of God. Are you the kind of person who likes to have deep discussions about these kinds of things? Then maybe you're the Loafer type.

4. Hiking Boots =..... Style (Matthew 5:16)

Are you the kind of person who jumps in with both feet as soon as somebody needs help with moving house, a problem at school or just needs some practical support during a crisis?

5. Football Boots / Soccer Cleats = ... Style (2 Timothy 4:2)

Are you a pro in approaching people to tell them in a direct but loving way how much they need Jesus in their lives?

6. Flip flops = ... Style (1 Corinthians 9:22)

Do you like sharing about God and your beliefs in a laid-back way with just anybody – especially people who don't know Jesus yet?

Which style best suits you?

Which shoe would you like to try on over the next few days?

.....

1. Telling your God Stories. 2. Inviting people to events. 3. Intellectual. 4. Service-oriented. 5. Direct. 6. Relational.
